## Key West International Airport

To: Mayor and Commissioners  
From: Peter J. Horton, Airports Director   
Date: 10/03/06  
Subject: Award of Service Jose Ramirez 20 Years

Jose Ramirez started his airport service as a custodian in 1986. But because he had 30 years of experience as a General Contractor in Cuba, his native country, he quickly came up through the ranks to become the Senior Maintenance Technician.

He is resourceful and creative. He is flexible with his work hours working nights and weekends if the job demands it.

Mr. Ramirez is known for performing maintenance miracles as helps keep the airport up and running 24/7.

We thank him for his 20 years of service and hope that he serves many more in the years to come.
